

Air Travel Vocabulary -- Flashcards

boarding pass -- the document you need to get on the plane

departure gate -- where you wait before boarding

check-in -- giving your bags to the airline before the flight

layover -- a stop between two flights

baggage claim -- where you collect your luggage after landing

customs -- the checkpoint where officials inspect what you're bringing into a country

runway -- the strip the plane uses to take off and land

turbulence -- rough movement of the plane caused by air conditions

Cut these out and use them to test a partner on the definitions.
